Consultancy Opportunities - Public Financial Management

ASI is a leading government and economic reform consultancy that provides advice to foreign governments, with particular focus on developing countries. We deliver pragmatic solutions to leaders and decision makers globally to enable growth and strengthen societies.

ASI is looking for individuals to be part of our roster for PFM projects across the world. We are particularly keen to hear from people who have the necessary skills in the following areas:

- **Budget Policy** – at least 2-3 years experience of working on budget policy issues as well as experience of dealing with other government policy processes.
- **Fiscal Policy** – at least 4 years of working on fiscal policy.
- **Budget Execution** – at least 10 years of working on budget issues, particularly on sector or ministry level budget management issues (including procurement and financial planning). Experience in more than one government department would be helpful.
- **Municipal / local government finance experts** – minimum 5 years experience of municipality revenue administration and/or budget/expenditure management.
- **Provincial budgeting** – minimum 5 years of working on budget issues within countries that have complex local government structures, particularly useful if experience has been within a state government in a conflict affected environment.

All shortlisted advisers will be assessed for their skills in the following areas:

- Technical knowledge of specific subject area
- Strong written communications skills
- A demonstrable ability to build productive relationships with persons from a wide range of professional backgrounds
- A demonstrable ability to work effectively in politically sensitive and physically challenging environments

If you are interested please send your CV to pfm@adamsmithinternational.com. Applications should be submitted as soon as possible.
